

Fifth Edition

Financial Accounting for **Decision Makers**

Peter Atrill

Eddie McLaney

Financial Accounting for Decision Makers, Peter Atrill, E. J. McLaney, Eddie McLaney, Pearson Education, 2008, 0273712756, 9780273712756, . A comprehensive yet accessible introduction to the subject, Financial Accounting for Decision Makers focuses on the ways in which financial statements and information can be used to improve the quality of decision making. By introducing topics gradually and explaining technical terminology in a clear, friendly style, the authors cater both for accounting students, and for those studying entry-level accounting within another field. A practical emphasis throughout the book ensures that the material is always relevant and suitable to the decision makers of the future..
